Cambridge College is proud to host **Violence Transformed** for a 4th year of art exhibition and performances. Join us in celebrating 10 years of Violence Transformed, an annual and annually expanding series of visual and performing arts events designed to celebrate the power of art, artists and art-making to acknowledge, confront, protest and imagine alternatives to violence in our homes, in our communities, and around the world.

Art demands that we see and that we respond to what we see.
