Perspectives: Transforming Violence through Mindful Art-Making

An artist-led workshop designed to offer survivors and providers ways to incorporate creative engagement to support the recovery and resiliency of those who have suffered and/or live at risk of exposure to violence. Workshop leaders: Drs. Mary Harvey, Ph.D, (Director of Violence Transformed) and Barbara Hamm, Psy.D, both former directors of the Victims of Violence Program, Cambridge Health Alliance, & co-creators of "Perspectives".
